Dear Community Partner,

I hope this letter finds you well. My name is Krista Becker, and I am thrilled to share an exciting opportunity with you that directly impacts the 5th grade students at McDonald Elementary School.

Each year, we host a much-anticipated Designer Bag Bingo event. This event is not just a night of fun and community spirit; it serves as a vital fundraiser for our 5th grade students. The funds raised will enable us to provide enriching educational trips, special events, and memorable celebrations that enhance their educational journey and create lasting memories, during their final year at the elementary school.

We're reaching out to local businesses, like yours, for donations to help us create exciting raffle baskets and door prizes. Whether it's a gift certificate, merchandise, or a monetary contribution, any support you can provide would be greatly appreciated.

We will happily recognize any contribution in our event programs, on the baskets themselves and posting on our Facebook page.

Your support will make a huge difference for our 5th graders, ensuring they have an unforgettable final year at McDonald Elementary. For your records, our tax exemption number is 99-3541060. Together, we can make this year unforgettable for them!

Warm regards,

***Krista Becker***
